# BATTLE THE EVIL EYE OF

# LAZARIAN

Enter into the perilous realm of Lazarian, a multi-phased battle for ultimate control of the universe! Defeat the merciless Lazarian by successfully completing each hazardous phase: dodge deadly meteors, exchange fire with bizarre alien creatures and journey the deadly corridors of the mysterious Tunnel of Fear! Only then can you do battle with the evil eye of Lazarian in a climactic life-or-death duel for victory and scores that are out of this world!

#### MISSION 1

Release the captive meteors from the yellow zone!

#### MISSION 2

Destroy the revolving meteors before their return fire destroys you!

#### MISSION 3

Travel the Tunnel of Fear to combat alien creatures, erupting volcanoes and blazing fire belts!

#### MISSION 4

Release the evil eye of Lazarian from its protective shield. Now vulnerable, the eye attacks!

#### MISSION 5

Duel the evil eye of Lazarian in a final life-or-death battle! Emerge victorious and game repeats for even bigger scores and more challenging missions!

Lazarian...featuring limited buy-in! By depositing another coin before the ten-second timer in Mission 1 expires, you can continue the game to reach Mission 2. The buy-in option is available only in Mission 1 and scores are not cumulative.
